IWG/AM-20
Supplement 1
Control No. 448004
15 March 1954

MEMORANDUM FOR: IWG

SUBJECT : Transmittal of "Supplementary List of Commodity Papers"

Attached for information is a list of those final reports and other papers distributed by the IWG Secretariat which relate to the strategic character of specific commodities and/or the movement of commodities to the Soviet bloc. This supplement is prepared to assist those persons who may have occasion to make reference to this available intelligence during the current security list reviews. Copies are available upon request to the Executive Secretary, Code 143, Extension 2635.
